PROFESSIONAL EXPERIENCE

KREMER AVIATION SERVICES LLC, Kewaskum, WI 2020-Present
Kremer Aviation Services provides Learjet 45 and Learjet 75 pilot services throughout the continental United States, Canada and the Caribbean

PILOT

- Jesse operates a small home business while continuing to operate as a professional contract pilot with nearly 10,000 accident and incident-free flight hours.
- Twelve month currency as a Learjet 45 and Learjet 75 Contract Pilot since November of 2020. Most recent recurrent training February 2024.
- Gulfstream IV Contract Pilot since June of 2020. Not current.

KOHLER COMPANY, Kohler, WI

2018-2020

PILOT

- After taking a four year flying hiatus to serve the community as a state legislator, Jesse received a Gulfstream IV type rating and Learjet 75 type rating within three months of beginning employment with one of the largest privately owned companies in the United States.

WEST BEND AIR, INC., West Bend, WI

1998-2000, 2012-2015

PILOT

- Began flying at West Bend Air as a flight instructor and piston charter pilot in 1998.
- Returned to West Bend Air in 2011 Learjet 35 and twin piston charter pilot.

AVANTAIR, INC., Clearwater, FL

2008-2011

PILOT

- After the airline closed its doors in 2008, gained employment with Avantair flying a seven on/seven off schedule in a part 91/135 fractional operation on the Piaggio Avanti (P180).
- No checkride failures and passed captain upgrade on the first attempt.

SKYWAY AIRLINES, INC. DBA MIDWEST CONNECT, Oak Creek, WI

2000-2008

FIRST OFFICER, 2000-2001

- Started flying for a part 121 regional airline during April of 2000 in the Beechcraft 1900D. Flew the 1900D without any autopilot in some of the most demanding and harshest elements in the United States – the upper Midwest and Great Lakes region.

CAPTAIN, 2001-2008

- Seamlessly upgraded to airline captain in August of 2001.
- Transitioned to captain of the Dornier 328 Jet in 2005.
- First time pass on all type rating checkrides. Flawless safety record. Excellent on-time performance and crew resource management skills.
